

# "Superb!"

## An Easy to Use X-ray System

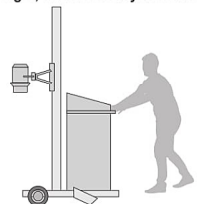

► 180° Rotation

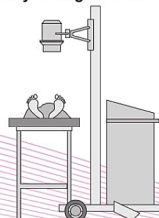

► Minimum Footprint

Light, therefore easy to move

► 3- Wheel Design Easy Mobility

Easy sliding for convenience

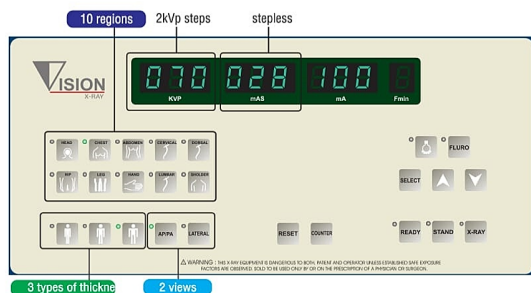

► Better Positioning

Vision 100A is an easy to use & low maintenance X-ray equipment :

1. Maximum Mobility & maneuverability, making the machine easy to move
2. Smaller foot print – Convenient to move through lifts & narrow corridor, into ICU's OT's & Wards suited for individual clinics, polyclinics.
3. Horizontal & Vertical travel of arms for better positioning for bedside & trauma.

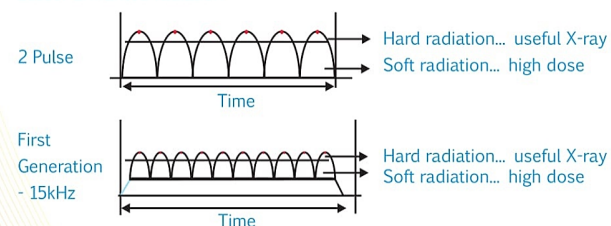

# "Brilliant!"

Micro Processor based digital control panel  
Electronic feather touch membrane keyboard ( One Million operations guaranteed )  
Convenient auto program to help the Doctor attain better image quality.  
Manual mode selection with independent Kvp., mAs display.  
The Anatomical programs ( APR ) with graphic buttons contribute to intuition operation .

- 100A X-ray for great image quality with efficient dosage
- Better image quality
- Protection of patient & technician for excess radiation
- Low scatter radiation

Ultra-high frequency  
Lesser unwanted radiation

200kHz benefits  
More efficient X-ray  
Consistent IQ

# "Fantastic!"

Our best selling product, 100A promises great imaging at a affordable prices.

Also at par with International standards with :

1. Easy to operate features
2. Impressive image quality & contrast
3. Easy mobility & better patient comfort.

Also available with Fix Tube stand and table.

## TECHNICAL SPECIFICATIONS

### VISION 100 A (HF)

#### HF GENERATOR

Radiography Output 3.5KW  
70mA

#### Tube Voltage

Radiography 40 to 100kVP (In steps of 1 KW)

#### Tube current

Radiography 70mA/50mA/25mA  
100kVP

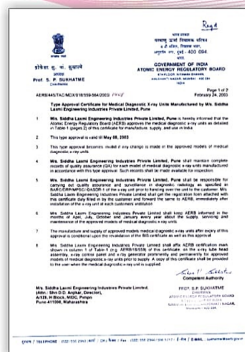

#### Timer

Radiography 0.02 sec to 6 sec

Total Filtration 3.5mm with 1 MMAI Added

Leakage from HF Generator 0.240 mgy

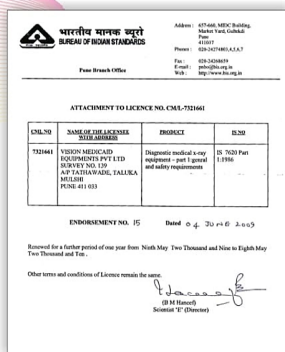

Power Supply Single Phase 230VAC 10%, 50/60Hz, 0.6 5KVA

Certificate of approval from  
Atomic Energy Regulation Board,  
Government of India (BARC)

Certificate of  
Compliance of ISO 9001:2015

Certificate of  
Bureau of Indian Standards
